THE GREAT ENGLISH HAIR RESTORATIVE

Is Guaranteed to Be
A Perfectly Harmless Hair Tonic.

It produces hair on bald heads, prevents the hair from falling out, cures scalp diseases and allays fever caused by an overtaxed brain. It is a radical cure for baldness where there are roots. It opens up the pores of the scalp and penetrates the sebaceous glands, and thereby supplies a moisture necessary to keep the follicles from drying up.

The Great English Hair Restorative

contains no oil. Never becomes rancid. No sugar of lead, mercury, turpentine, ammonia, camphor, or any drying or injurious ingredients. It will thoroughly cleanse the scalp from dandruff by one application.
